

PUBLIC ENTERPRISE
„ROADS OF SERBIA“

REPUBLIC OF SERBIA
ROAD REHABILITATION AND SAFETY PROJECT
EIB Loan No. 82.640

INVITATION FOR TENDERS (IFT)

HEAVY MAINTENANCE (UPGRADING) OF THE STATE ROAD IB 35
SECTIONS: MEROŠINA - PROKUPLJE (ORLJANE)
FROM KM 207+502 TO KM 219+005, L=11.503 KM AND
BELOLJIN - KURŠUMLIJA – RUDARE
FROM KM 237+881 TO KM 262+136.59, L=24.256 KM
CONTRACT ID NO. RRSP/RRW-IB35MPBR/2019-11

1. The Republic of Serbia has received financing from the European Investment Bank (EIB) toward the cost of the Road Rehabilitation Project, and intends to apply part of the proceeds toward payments under the contract for Heavy Maintenance (Upgrading) of the State Road IB 35, Sections: Merošina - Prokuplje (Orljane), from km 207+502 to km 219+005, L=11.503 km and Beloljin - Kuršumlija - Rudare, from km 237+881 to km 262+136.59, L=24.256 km, Contract ID No. RRSP/RRW-IB35MPBR/2019-11. The General Conditions of Contract shall be the “Conditions of Contract for Construction for building and engineering works designed by the employer”, 1st edition 1999, prepared by the Fédération Internationale des Ingénieurs-Conseils (FIDIC). This contract will be jointly financed by the European Investment Bank and Republic of Serbia. Tendering process will be governed by the EIB’s rules and procedures.
2. The Public Enterprise “Roads of Serbia” (hereinafter referred to the Employer) invites sealed tenders from eligible and qualified tenderers for heavy maintenance (upgrading) works consisting of the following:
 - Preparatory works which include site clearing (removal of excessive vegetative material and waste), demolishing of road elements (curbs, gutters, edge strips, pavement) removing asphalt layers and profiling of existed pavement,
 - Substructure works which include excavation, subsoil treatment, drainage layers (placement of separating geotextile), construction of embankment, shoulders and berms, recoiling slopes and benches;
 - Improvement of drainage system works which include works on drainage system (surface drainage, construction of drainage ditches, concrete drain channels, subsurface dewatering-drainage, closed drainage system, making shafts), hydro-technical works (procurement, transportation, and installation of sewerage pipes and bypass separators);
 - Superstructure works which include works on improvement of pavement (construction of the bituminous bearing course, construction of cement stabilized base course layer with cold in situ recycling and construction of

wearing asphalt course), as well as placement of concrete curbs and construction of gutters;

- Works on structures (bridges, culverts and retaining walls) which include milling of the existing asphalt layer, construction or replacement of waterproofing, construction of asphalt layers (leveling course if needed, wearing course, asphalt layer on a sidewalk), demolition and reconstruction of the curbs, repair or replacement of the bearing paths, repair or replacement of the expansion devices, repair of the protective layers, bridge drainage, repair of fences and guardrails, repair of existing culverts (cleaning, excavation works, concrete and stone works), repair of existing concrete walls and construction of new concrete walls, slope protection;
- Roadside arrangement and placement of traffic signalization and road furniture.

The Works will be performed under traffic with a strong emphasis on maintaining safe conditions for both the flow of traffic and works in progress.

The Tenderer should meet the following qualification criteria and capabilities:

Financial requirements

- Submission of audited balance sheets or, if not required by the law of the Tenderer's country, other financial statements acceptable to the Employer, for the last 5 (five) years to demonstrate the current soundness of the Tenderers financial position and its prospective long term profitability. In the case of JV, each partner must meet the requirement.
- Minimum average annual construction turnover of 1,600,000,000 (one billion six hundred million) RSD equivalent, calculated as total certified payments received for contracts in progress or completed, within the last 5 (five) years. In the case of JV, all partners combined must meet the requirement, the lead partner must meet 60% (sixty percent) of the requirement and each other partner must meet 30% (thirty percent) of the requirement.
- The Tenderer must demonstrate access to, or availability of, financial resources such as liquid assets, unencumbered real assets, lines of credit, and other financial means, other than any contractual advance payments to meet the following cash-flow requirement: min. 330,000,000 (three hundred thirty million) RSD equivalent. In the case of JV, all partners combined must meet requirement, the lead partner must meet 60% (sixty percent) of the requirement and each other partner must meet 30% (thirty percent) of the requirement.

Experience requirements

- General experience – Experience under contracts in the role of contractor or management contractor for the last 5 (five) years prior to the tender submission deadline, and with activity in at least 9 (nine) months in each year. In the case of JV, each partner must meet the requirement.
- Specific experience:
 - Participation as contractor or management contractor in at least 2 (two) contracts, within last 5 (five) years, each with a value of at least 950,000,000 (nine hundred fifty million) RSD equivalent that have

been successfully and substantially completed and that are similar to the proposed Works. In the case of JV, all partners combined must meet the requirement, the lead partner must meet the requirement for at least 1 contract out of 2.

- For the above or other contracts executed during the stipulated period, a minimum experience in the following key activities: average annual production and laying of asphalt mixtures (asphalt concrete and bituminous base) not less than 50,000 tones/year in the last 3 (three) years. In the case of JV, all partners combined must meet the requirement.

Above and all other qualification requirements related to the eligibility, litigation history, and technical capabilities are specified in the Section III Evaluation and Qualification Criteria of the Tender Documents.

3. Tendering will be conducted through the International Procurement Open Procedures specified in accordance with “Guide to Procurement for projects financed by the EIB” issued in September 2018 (“Procurement Guidelines”) available at the following link: <https://www.eib.org/en/publications/guide-to-procurement>. Tendering is open to all eligible tenderers as defined in the Procurement Guidelines. In addition, please refer to paragraph 1.5 setting forth the Bank’s policy on conflict of interest.

4. Interested eligible tenderers may obtain further information and inspect the tender documents during office hours from 10:00 to 14:00 (local time) at the following address:

Public Enterprise “Roads of Serbia”
19a, Vlajkovićeve St.
11 000 Belgrade, Serbia

Contact Persons:
